Your Wedding at Parco

CEREMONIES

Legal ceremonies are usually performed in your home country, we do not host ceremonies that are legally binding. But we are more than happy to think along how to organize your symbolic dream ceremony. It could take place in our pool, in the restaurant or in the wind mill chapel in Sant Antoni. Many options!

WEDDINGPLANNER

Would you rather get married among the olive trees, on a mountain or in an ancient church? Ibiza offers various wedding locations. However, we take care of everything that takes place at Parco. In case you wish to marry elsewhere, we would recommend to get an experienced wedding planner! We can advise you one of our beloved partners if you wish.

MUSIC AND ENTERTAINMENT

We have many local partners specialized in music and sound systems, entertainment and live music. But keep in mind, we are not a club. If you wish casual, early evening party with your loved ones? We are a great match!
